WORKING TOGETHER TO END WORLD HUNGER

Grains OF Hope

Farmers Helping Farmers Around the World

Of the 1 billion hungry people on the planet today, 70% of them are farmers and their families. These individuals often go hungry because they lack the basic skills, knowledge and resources to grow their own food.

Grains of Hope provides you with an opportunity to make a tangible difference in the lives of these farmers. Through our wonderful partners – **Canadian Foodgrains Bank (CFGB)** and **MCC Ontario** – the donations made through *Grains of Hope* go directly to providing necessary skills and resources to farmers in the developing world.

Even a small donation makes a big difference. With the Canadian International Development Agency's matching program, every dollar donated becomes \$6 to be spent on food and water programs.

If you are interested in participating please fill out the participation form on the back and return it to the WFS office.

Up to \$3.6 Million Raised

Since 2011

If you have any questions about the program please talk to your WFS sales representative or call Christine Schoonderwoerd at the Wallenstein Office (1-800-265-8858).
